14. (Unclassified - TIW) LIAISON Dennis Causey, on the staff of Senator Paul Laxalt (R., Nev.), called stating that he had passed the information I had given him to the constituent and while the constituent had contacted the U.S. Attorney's office he was still not satisfied. Causey believes a letter from us to the Senator confirming the previous advice, a copy of which will be sent to the constituent by the Senator, would satisfy the constituent. I told him I would get him such a letter.

15. (Unclassified - JK) LIAISON Spoke to Rick Inderfurth, Senate Select Committee on Intelligence staff, regarding pending requests for information. Inderfurth stated that he could not locate documents allegedly attached to a letter from DDCI Knoche to Senators Daniel K. Inouye (D., Hawaii) and Howard H. Baker (R., Tenn.). After checking, I informed Inderfurth that the referenced letter has not yet been delivered.

Inderfurth said he was very pleased with the 24 September briefing by James Taylor, Comptroller, and wants to schedule a similar session for Senators William Hathaway (D., Maine) and Barry Goldwater (R., Ariz.).

16. (Unclassified - JK) LIAISON Met with Chip Pickett, Senate Select Committee on Intelligence staff, to deliver documents requested at the SIGINT briefing on 28 September. Also discussed future activity by the Budget Subcommittee of the Senate Select Committee on Intelligence. Pickett said he was in the process of preparing a "menu" of briefings for the staff and members. I suggested he pass the proposed "menu" to the Community for comment prior to finalizing it and he agreed. I also suggested an Intelligence Community SIGINT briefing for Pickett to compliment his CIA briefing. Pickett agreed and said he would contact OLC next week to set it up.

17. (Unclassified - JK) FOIA Eric L. Hirschhorn, Counsel, on the Subcommittee on Government Information and Individual Rights, House Government Operations Committee, called to inquire about the status of an FOI request from Ms. Lee Israel. He indicated that the CIA had promised a response in September. I checked the status with IPS and was informed that the DDO search was not completed. I informed Hirschhorn that processing was not yet completed and we could not give a firm estimate. He was satisfied.
